The **Selangor Humaniora Review (SHARE)** is a peer reviewed international academic journal published by Universiti Selangor (UNISEL), Malaysia. The aim of the journal is to provide a venue for researchers and practitioners working across disciplinary boundaries in the areas of Education, Humanities, Social Sciences, Languages, Literature, Communication, Management and Psychology to share their views, theories, research, and findings. The editorial team of the Selangor Humaniora Review (SHARE) would like to invite authors to submit their theoretical and empirical research papers, case studies, and review papers for the possible publication at any time during the year without time restraints. Articles are published in English and Bahasa Malaysia. This journal is published electronically two times (June and December) a year via online journal system (OJS). The electronic full text version of the journal is available **free of charge**.
